Jules SARRASIN

BUT 2 GMP student – Looking for a paid 10-week internship (April – June 2027) – CAD design focus

jules.sarrasin@gmail.com | Aix-en-Provence | linkedin.com/in/jules-s-485095433

Mobility: Driving licence (B), own vehicle | Boating licence

EDUCATION

BUT Mechanical and Production Engineering (GMP) – IUT of Aix-en-Provence 2025 – 2028

- Innovation for Industry track | Ranking: 16th in semester 1, 12th in semester 2 (out of 90)

STI2D Baccalauréat – Pierre-Gilles de Gennes High School, Digne-les-Bains 2023 – 2025

- With honours (mention Bien) | Specialty: Energy and Environment

TECHNICAL SKILLS

CAD / drafting	CATIA V5 (advanced), SolidWorks – 3D modelling, assemblies, ISO drawings
Calculation & simulation	RDM7 – stress analysis, sizing; statics, kinematics, kinetics, dynamics
Manufacturing	Machining (CNC and manual), turning, milling
Metrology & standards	Calipers, micrometer, CMM (coordinate measuring machine), conformity checks
Programming	VB.NET (calculation automation), Arduino, programmable logic controllers
Languages	English – level B1

UNIVERSITY PROJECTS (SAÉ)

SAÉ 2.2: Design of a gripper for a robot arm BUT 1 · S2 2026

- Design and model the gripper in CATIA V5
- Simulate the movement of the gripper

SAÉ 2.4: Production management BUT 1 · S2 2026

- Run a production line: 16 chess pieces (10 pawns, 2 bishops, 4 rooks) in under 1 h 20
- Write the process-phase sheets

Conversion of a mountain bike into a Solex moped · Project manager STI2D project 2025

- Motorise a mountain bike with a hoverboard wheel, speed limited to 25 km/h
- Program a progressive acceleration and an automatic deceleration above 25 km/h
- Design a mechanical linkage that disengages the motor: the bike becomes a normal bike again, barely heavier
- Tools: SolidWorks, Arduino

WORK EXPERIENCE

Family farm – Mechanical maintenance help Since childhood

- Help maintain and repair tractors and vehicles

Restaurant "Zap Pizza" – Waiter, Gap (permanent contract) May 2025 – September 2026

- Provide quality service in a fast-moving environment and handle urgent situations

INTERESTS

Mechanics	Complete restoration of a Citroën Saxo, from A to Z
Building	Making an automatic door for a chicken coop
Outdoor sport	Gap – Nice trek (250 km) | Triathlon (paused for studies) | Winter sliding sports
